

# 1st CASyM Stakeholder Conference Program

LYON - FRANCE  
March 25th 26th, 2013

Sunday March 24, 2013		Monday March 25, 2013		Tuesday March 26, 2013				
08:30		08:30		08:30	Welcoming coffee			
09:00	 <b>BIOVISION</b> Registrations	09:00	Welcoming coffee	09:00	<b>ROUND TABLES</b> - RT1 Technologies for Systems medicine: Exploiting the advances in genome sequencing and transcriptomics - RT2 Lifelong education in Systems Medicine - RT3 Ethical and regulatory issues in Systems Medicine - RT4 What business models for industries are involved in Systems Medicine? - RT5 Generating valuable data for simulation and modeling driving Systems Medicine - RT6 Data analysis and mathematical modeling in the context of systems medicine - RT7 Designing impact indicators of Systems Medicine efficiency - RT8 Systems medicine for improving patients care - RT9 How to improve involvement of patients in Systems Medicine? - RT10 How can Systems Medicine improve the design of clinical trials?			
09:30		09:30	Systems medicine success stories in clinical research and practice	09:30				
10:00		10:00	Systems medicine for clinicians/medical doctors	10:00				
10:30		10:30	Computational models and modeling approaches in the clinics	10:30				
11:00		11:00	Break	11:00				
11:30		11:30	CASyM in the context of the EC Systems Medicine research agenda / strategy	11:30				
12:00		12:00	The CASyM project	12:00				
12:30		12:30	Introduction to round tables discussion	12:30				
13:00		13:00	Lunch	13:00		Lunch		
13:30		13:30		13:30				
14:00	  BIOVISION Prospective Focus 5: Personalized medicine scientific lectures round table	14:00	<b>CASyM CONFERENCES</b>	14:00	ROUND TABLES wrap up session			
14:30		14:30				14:30		
15:00		15:00				15:00		
15:30		15:30				15:30		
16:00		16:00				16:00		
16:30		16:30				16:30	Coordinating Action Systems Medicine Implementation of Systems Medicine across Europe	
17:00		17:00		17:00				
17:30		17:30		17:30				
18:00		18:00		18:00				
18:30		18:30		18:30				
19:00		19:00		19:00				
19:30	 <b>BIOVISION</b> Welcoming night	19:30	 <b>BIOVISION</b> Networking night	19:30	CASyM is a collaborative project supported by the European Union under the Health Cooperation Work Programme of the 7th Framework programme			
20:00		20:00				20:00	 COOPERATION	
20:30		20:30				20:30		 European Commission
21:00		21:00				21:00
