

1st CASyM Stakeholder Conference Program

LYON - FRANCE
March 25th 26th, 2013

Sunday March 24, 2013		Monday March 25, 2013		Tuesday March 26, 2013		
08:30		08:30		08:30	Welcoming coffee	
09:00	 BIOVISION Registrations	09:00	Welcoming coffee	09:00	ROUND TABLES - RT1 Technologies for Systems medicine: Exploiting the advances in genome sequencing and transcriptomics - RT2 Lifelong education in Systems Medicine - RT3 Ethical and regulatory issues in Systems Medicine - RT4 What business models for industries are involved in Systems Medicine? - RT5 Generating valuable data for simulation and modeling driving Systems Medicine - RT6 Data analysis and mathematical modeling in the context of systems medicine - RT7 Designing impact indicators of Systems Medicine efficiency - RT8 Systems medicine for improving patients care - RT9 How to improve involvement of patients in Systems Medicine? - RT10 How can Systems Medicine improve the design of clinical trials?	
09:30		09:30	Systems medicine success stories in clinical research and practice	09:30		
10:00		10:00	Systems medicine for clinicians/medical doctors	10:00		
10:30		10:30	Computational models and modeling approaches in the clinics	10:30		
11:00		11:00	Break	11:00		
11:30		11:30	CASyM in the context of the EC Systems Medicine research agenda / strategy	11:30		
12:00		12:00	The CASyM project	12:00		
12:30		12:30	Introduction to round tables discussion	12:30		
13:00		13:00	Lunch	13:00		Lunch
13:30		13:30		13:30		
14:00		14:00	  BIOVISION Prospective Focus 5: Personalized medicine scientific lectures round table	14:00	ROUND TABLES wrap up session	
14:30		14:30		14:30		
15:00		15:00		15:00		
15:30		15:30		15:30		
16:00		16:00		16:00		
16:30		16:30		16:30		
17:00		17:00		17:00	 Coordinating Action Systems Medicine Implementation of Systems Medicine across Europe	
17:30		17:30	17:30			
18:00		18:00	18:00			
18:30		18:30	18:30			
19:00		19:00	19:00			
19:30		19:30	19:30			
20:00		20:00	20:00			
20:30		20:30	20:30			
21:00		21:00	21:00			
	 BIOVISION Welcoming night	 BIOVISION Networking night		CASyM is a collaborative project supported by the European Union under the Health Cooperation Work Programme of the 7th Framework programme
